Isabella Saves The World!!!

The word is stuck in perpetual winter due to a spell put upon it by the evil snow sorcerer! Isabella leaves her warm home behind to see if she can put a stop to this neverending curse. She enlists the help of the Evergreen Elder. Will she succeed?

Isabella Saves the World was created by the dancers at Ballare over 18 years ago. It started as an in-studio informal showing and has grown into a full stage production! We are excited to be bringing it to the stage again in 2020!

Dancers in level Fundamental B-V participate in this performance. We provide all costuming for this show. Choreography will be learned during class time, but because this is a storyline we need a few outside rehearsals to bring it all together. Please mark your calendars with these important dates:
